

GENERAL INFORMATION

ACTAGRO 5% COPPER is formulated in a patented process for the prevention or correction of copper deficiencies in plants and can be effectively used for both foliar and soil applications.

ACTAGRO 5% COPPER is recommended for band application during preplant, planting or sidedress operations.

ACTAGRO 5% COPPER is non-phytotoxic when used as directed and may be combined with most pesticides and fertilizers.

ACTAGRO 5% COPPER will be influenced by varieties, soil and environmental conditions and should be applied under conditions of optimum plant growth. Optimum conditions are defined as adequate humidity, moderate temperatures and adequate soil moisture. Optimum conditions for most crops generally occur during early morning or late evening hours.

WARRANTY: Since weather, crops, soil and other conditions may vary, neither ACTAGRO, LLC, nor the seller make a warranty of any kind expressed or implied, concerning the use of this product. The user assumes all risk of use and handling whether or not in accordance with directions or suggestions.

KEEP OUT OF REACH OF CHILDREN. HARMFUL IF SWALLOWED. AVOID CONTACT WITH SKIN, EYES OR CLOTHING. In case of contact immediately flush skin, eyes or clothing with plenty of water for at least 15 minutes.

CAUTION: If any other chemicals are to be used in the spray mixture be sure to check compatibility. **This fertilizer contains copper and should be use only as recommended. It may prove harmful when misused.**

Application rate should be based on the results of soil and/or tissue analysis. User should seek the advice of the county agricultural representative or a professional agricultural consultant in order to determine the appropriate rates and frequency of product use.

MIXING INSTRUCTIONS

ACTAGRO 5% COPPER disperses well in water. For best results mix as follows:

1. Partially fill tank with water or fertilizer and start agitation.
2. Add other nutrients or pesticides if compatible.
3. Add **5% COPPER** to circulating tank mix.
4. Fill tank and agitate thoroughly.
