GENERAL: FLUSH is a cleaning agent to be used for cleaning all pesticides from agricultural, commercial or lawn and garden spraying equipment. FLUSH does not de-activate or breakdown the pesticide. Some pesticides have specific cleanout recommendations, always refer to the pesticide label for proper cleaning instructions.

PRECAUTIONS, STORAGE and DISPOSAL: Do not mix with chlorine bleach, the resulting gas can cause irritation to eyes, throat and lungs can cause skin and eye irritation. Avoid contact with eyes or skin. Wear appropriate protective clothing when handling. Avoid breathing vapours or mist. Use adequate ventilation. Wash thoroughly after handling, Keep container closed during storage. Do not freeze, keep in cool, well ventilated area.

Dispose of rinse water in approved manner, DO NOT clean equipment near desirable vegetation, wells or other water sources.

**KEEP OUT OF REACH OF CHILDREN
