NET CONTENTS: 10 L

DIRECTIONS FOR USE

MSO CONCENTRATE is a product which enhances the effectiveness of post applied herbicides.

HOW TO MIX: Fill the spray tank about half-full with water and add the required herbicide(s) while the agitator is running or bypass agitation is operating. Complete the filling of the tank with water and finally add MSO CONCENTRATE under constant agitation. Refer to specific tank mix herbicides labels for more details.

Add MSO CONCENTRATE to a spray mixture when the use of an adjuvant is recommended on the tank mix herbicide label.

DO NOT APPLY BY AIR.

Apply 1 % v/v or 10 L MSO CONCENTRATE per 1000 L of spray mixture as follows:

Crop	Tank Mix herbicides	Remarks
Soybeans	Pursuit Pursuit + Basagran Pursuit + Reflex Pinnacle Viper + Reflex	Follow the tank mix herbicide labels for complete use instructions.
Canola	Pursuit Pursuit + Poast Ultra Odyssey Poast Ultra	Follow the tank mix herbicide labels for complete use instructions.
Peas	Pursuit Pursuit + Poast Ultra Odyssey Poast Ultra	Follow the tank mix herbicide labels for complete use instructions.

PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL. Wear long-sleeved shirt, long pants and chemical resistant gloves during mixing, loading, application, clean-up and repair. Consult the tank mix partner for any additional protection.

CAUTION: Do not graze the treated crops or cut for hay; there is not sufficient data available to support such use.

FIRST AID

IF SWALLOWED:

Call a poison control centre or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING:

Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control centre or doctor for treatment advice.

IF INHALED:

Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control centre or doctor for further treatment advice.

IF IN EYES:

Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

Treat symptomatically.

STORAGE

Container must be tightly closed during storage.

DISPOSAL

1. Triple- or pressure-rinse the emptied container. Add the rinsing to the spray mixture in the tank.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER: This pest control product is to be used only in accordance with the directions on the label. It is an offence under the PEST CONTROL PRODUCTS ACT to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
